

Young Choi, M.D., Professor of Pathology and Laboratory Medicine; Director, Bridgeport Hospital Clinical Laboratories. Clinical interests: immunopathology, molecular pathology, and all areas of anatomic and clinical pathology.

Robert Homer, M.D., Ph.D., Professor of Pathology and Internal Medicine (Pulmonary); Director, Medical Student Course Module. Clinical interests: thoracic pathology and immunopathology.

Kisha A. Mitchell, M.D., Assistant Professor of Pathology; Director, Autopsy Service. Clinical interests: gastrointestinal and liver pathology.

Fattaneh A. Tavassoli, M.D., Professor of Pathology and Obstetrics, Gynecology, and Reproductive Sciences; Director, Pathology Women's Health Program. Clinical interests: breast and gynecologic pathology.

Paul Cohen, M.D., Assistant Professor of Pathology; Chair, Bridgeport Hospital Pathology. Clinical interests: general surgical pathology, thoracic pathology, and gynecologic pathology.

S. David Hudnall, M.D., Professor of Pathology and Laboratory Medicine; Director, Hematopathology Program. Clinical interests: hematopathology and laboratory hematology.

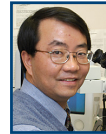

Gilbert Moeckel, M.D., Ph.D., Associate Professor of Pathology; Director, Renal and EM Laboratory. Clinical interests: renal pathology, progression of interstitial fibrosis, acute kidney cell injury, and renal cell carcinoma microenvironment.

Renu Virk, M.D., Clinical Instructor in Pathology. Clinical interests: head and neck pathology.

José Costa, M.D., Professor of Pathology and of Medicine (Medical Oncology); Director, Translational Diagnostics; Director, Musculoskeletal Tumor Program. Clinical interests: oncologic pathology and molecular diagnostics.

Pei Hui, M.D., Ph.D., Professor of Pathology; Director, Gynecologic Pathology; Clinical Director, Molecular Diagnostics Laboratory. Clinical interests: gynecologic pathology, general surgical pathology, and molecular diagnostics.

Raffaella Morotti, M.D., Associate Professor of Pathology; Director, Pediatric Pathology Program. Clinical interests: perinatal pathology, pathology of solid tumors (pediatric), and pediatric liver.

Alexander Vortmeyer, M.D., Ph.D., Associate Professor of Pathology; Director, Neuropathology. Clinical interests: nervous system disorders and hereditary tumors.

Shawn E. Cowper, M.D., Associate Professor of Dermatology and Pathology. Clinical interests: nephrogenic systemic fibrosis, alopecia, and informatics.

Anita Huttner, M.D., Assistant Professor of Pathology. Clinical interests: neuropathology, stem cell biology, and neurocognitive and neurodevelopmental disorders.

Jon S. Morrow, M.D., Ph.D., Raymond Yesner Professor of Pathology and Chair; Professor of Molecular, Cellular, and Developmental Biology; Chief of Pathology, Yale–New Haven Hospital. Clinical interests: hematologic and renal disorders.

Zenta Walther, M.D., Ph.D., Associate Professor of Pathology; Medical Director, YNH Tumor Profiling Laboratory. Clinical interests: gastrointestinal and liver pathology, molecular diagnostics, and colorectal carcinogenesis.

Akosua Domfeh, M.D., Assistant Professor of Pathology. Clinical interests: cytopathology and breast pathology.

Dhanpat Jain, M.D., Professor of Pathology and Medicine (Digestive Diseases); Director, Gastrointestinal Pathology Program. Clinical interests: GI and liver pathology, including liver tumors; gastrointestinal stromal tumors, prostate cancer risk and mortality, and motility disorders of the bowel.

Irwin Nash, M.D., Yale–New Haven Hospital, Saint Raphael Campus. Clinical Interests: disease of hematopoietic and lymphatic system.

A. Brian West, M.D., Professor and Vice Chair of Pathology; Director, Anatomical Pathology. Clinical interests: pathogenesis and diagnosis of non-neoplastic diseases of the gastrointestinal tract and hepatobiliary system.

Susan Fernandez, M.D., Assistant Professor of Pathology. Clinical interests: cytopathology.

Anitha Kamath, M.D., Assistant Professor of Pathology. Clinical interests: oncologic pathology (particularly gastrointestinal, breast, gynecologic and genitourinary); applications of molecular diagnostics in tumor pathology and therapeutics.

Nhu T. Ngo, M.D., Yale–New Haven Hospital, Saint Raphael Campus. Clinical interest: oncologic pathology, breast pathology, thoracic tumor pathology.

Mina Xu, M.D., Assistant Professor of Pathology. Clinical interests: leukemias, lymphomas, and myeloid neoplastic disorders.

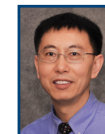

Karin Finberg, M.D., Ph.D., Assistant Professor of Pathology. Clinical interests: molecular diagnosis of inherited and acquired clinical disorders.

Samuel Katz, M.D., Ph.D., Assistant Professor of Pathology. Clinical interests: hematopathology.

Vinita Parkash, M.D., Associate Professor of Pathology; Director, Surgical Pathology, Bridgeport Hospital. Clinical interests: gynecologic pathology and genitourinary pathology.

Xuchen Zhang, M.D., Assistant Professor of Pathology. Clinical interests: liver and gastrointestinal pathology; thoracic pathology.
